

Duke Energy Corporate / Regional Aircraft Maintenance Safety Event

This year's key note speakers for the Duke Energy Corporation Aviation Maintenance Safety event are Dr. Bill Johnson and Astronaut Story Musgrave. Dr. Johnson will address the topic of Human Factors with a focus on fatigue in aviation maintenance. Astronaut Story Musgrave will share his exciting experiences and travels as an astronaut. Additional speakers will address avionics issues, life rafts and career development. Don't miss this exclusive opportunity to learn from experts in the industry!

Directions: FROM I-85 S, Exit 33, Left on Billy Graham Pkwy, Right on Morris Field Dr, Right on Minuteman Dr, Left on First Flight Dr., hangar on right.

A message from the National FAASafety Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
